

MEGLADON[®]

MANUFACTURING GROUP, LTD

A TyRex Technology Family Company

Fiber Distribution Panels

The Megladon Difference

Megladon **Fiber Distribution Panels** are available in a wide variety of sizes and configurations, and can be placed in any variety of premise locations. All common connector types are available in LGX inserts, allowing for flexibility and scalability. Panels are available in 1RU to 4RU sizes, and can be shipped pre-populated with trunks and pigtails if needed. There are a variety of accessories to support, including cable entry clamps, splice trays, and cable management clips.

For more information on Megladon's HLC[®] process and products, please visit megladonmfg.com.
